

ElevEase®

THE SHOWER STEP

As Seen on The **Late Late** show

ElevEase - Beauty Care Benefits

ElevEase - The Shower Step easily fits into the corner of any shower unit at knee height and eliminates the need for awkward bending and stretching while tending to leg and foot care and the following beauty care rituals:

- ✓ Leg - Shaving
- ✓ Exfoliating
- ✓ Applying Tanning Lotion
- ✓ Nail Varnish Application

ElevEase also has a built in space to fit most razor sizes.

ElevEase is an ideal recession product for all ages as less disposable income means that beauty care is increasingly becoming a DIY job.

ElevEase - Healthcare Benefits

ElevEase isn't just a beauty care item – it is also a maternity and healthcare product too. This product aides customers with the following medical conditions:

- ✓ Low Mobility
- ✓ Back Pain
- ✓ Arthritis
- ✓ Athlete's Foot

White Model : €19.99

Chrome Model : €24.99

ElevEase – The Shower Step

Step 1: Apply supplied adhesive to the back surface of The Shower Step.

Step 2: Fix The Shower Step to the corner of the shower unit at recommended knee height and hold for three minutes.

Step 3: Leave The Shower Step to bond for 24 hours.

"Best Value Buy – This nifty little foot corner shelf can be easily fitted into the corner of any shower unit, so that you can avoid hoping about and gymnastic balancing."
